

# Teeth

## ACROSS

- 5** the tough, shiny, white outer surface of the tooth.
- 6** the visible part of a tooth
- 7** the hard supportive tissue in which the tooth's root is anchored

## DOWN

- 1** the soft tissue that surrounds the base of the teeth
- 2** the soft center of the tooth
- 3** the anchor of a tooth that extends into the bone of the jaw
- 4** the hard but porous tissue located under both the enamel
